## MERHABA

*Ben Göktuğ Çetinkaya. 24 yaşındayım.  
Lise yıllarımdan beri çizimle ilgileniyorum.  
Üniversite sınavına hazırlandığım yıllarda bu  
tutkumu nasıl mesleğe dönüştürebileceğimi  
düşündüm ve grafik tasarım alanında ilerlemeye  
karar verdim. Marmara Üniversitesi'nde Basım ve  
Yayın Teknolojileri bölümünde okudum. Okurken  
çeşitli markalara freelance hizmeti verdim. Ağırlıklı  
olarak sosyal medya tasarımları, logo tasarımları,  
poster tasarımları yaptım. Sonrasında ise oyun  
sektöründe çeşitli şirketlerde çalıştım.*
