

CREATIVE PORTFOLIO

by Deniz Ozel

Deniz Ozel

Creative Professional

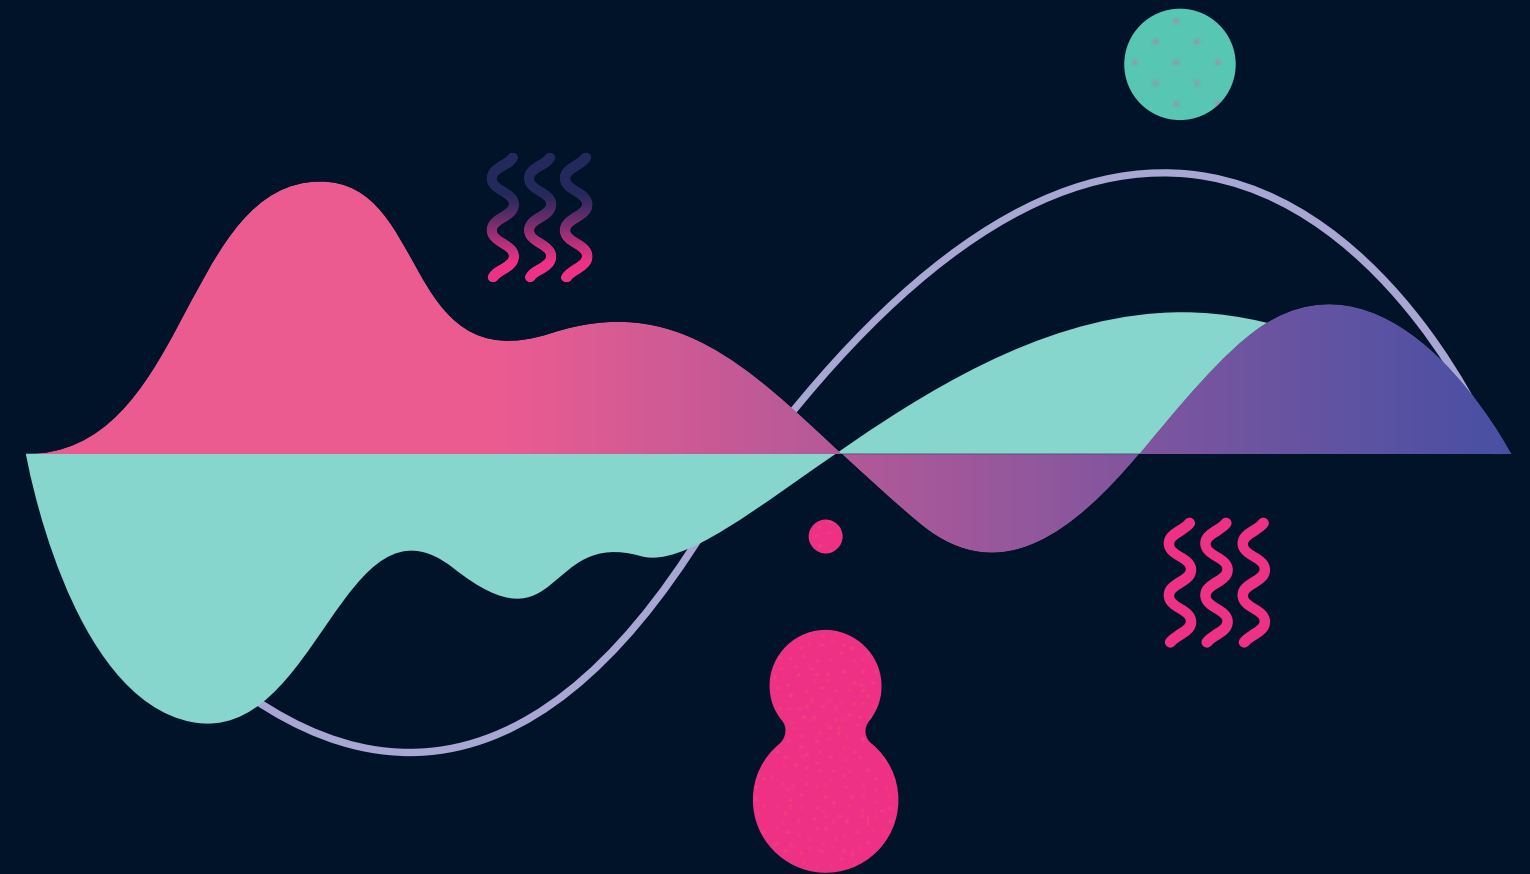

4 Year of experience

Since 2020, I've been blending creativity with technical precision as a freelance multidisciplinary designer and civil engineer. With a solid foundation from my civil engineering degree and enhanced skills through extensive training in graphic design and architecture, I bring a unique mix of artistry and engineering to every project.

My customer-centric approach ensures personalized solutions, whether online or face-to-face. I specialize in combining innovative design with structural integrity, offering services that elevate your brand and projects to new heights.

Skills & Abilities

-  **Branding design**
-  **Illustration**
-  **3D Modelling**

NOTABLE PROJECTS

2020-Present

BREW HAVEN

Creative Branding

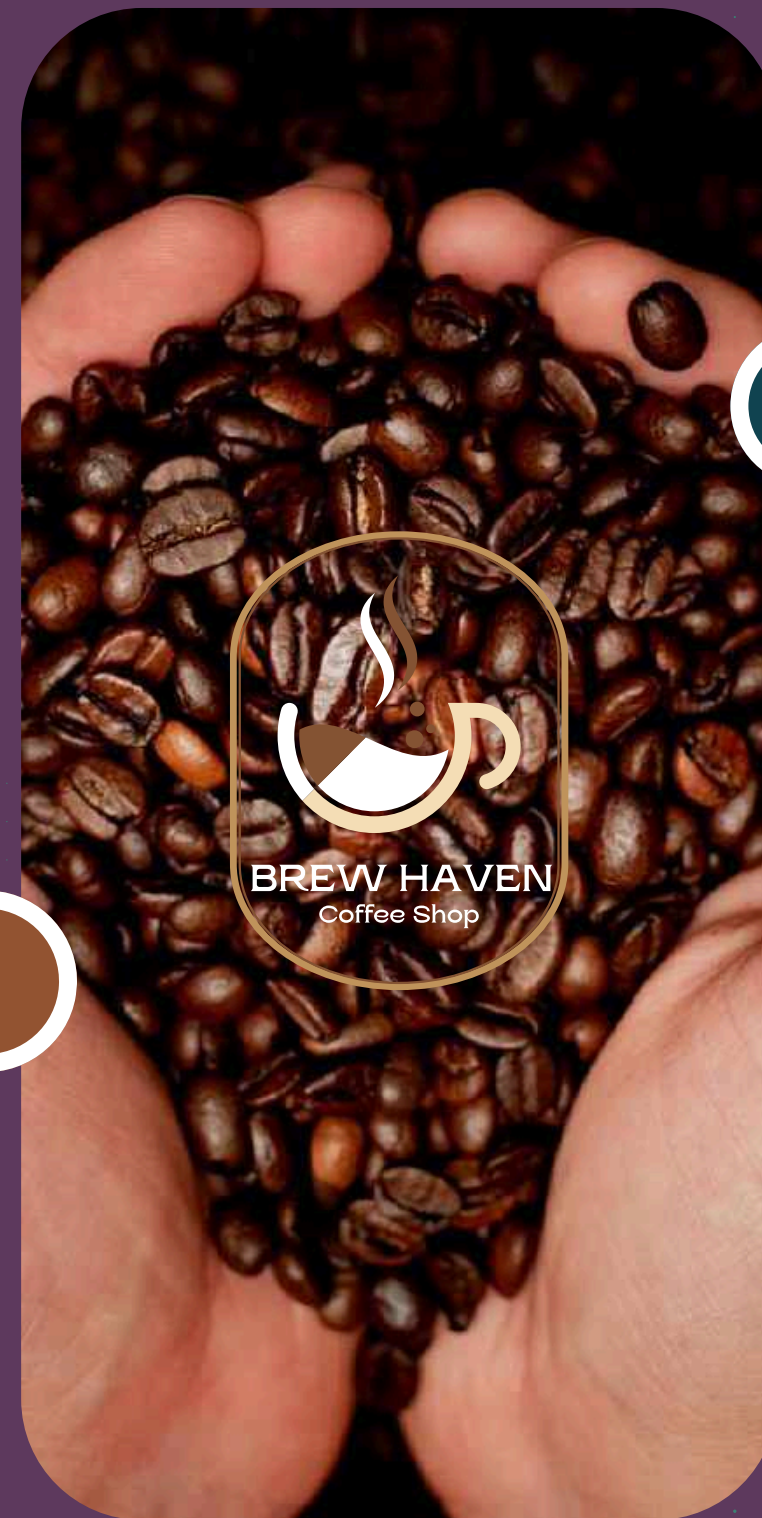

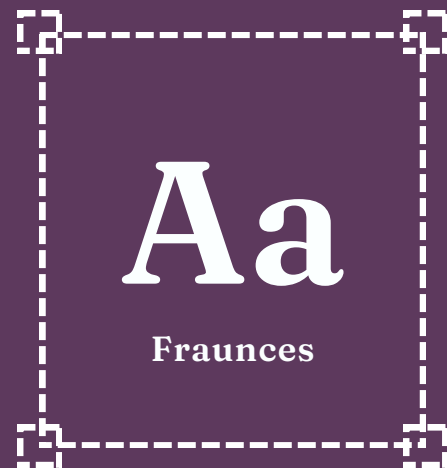

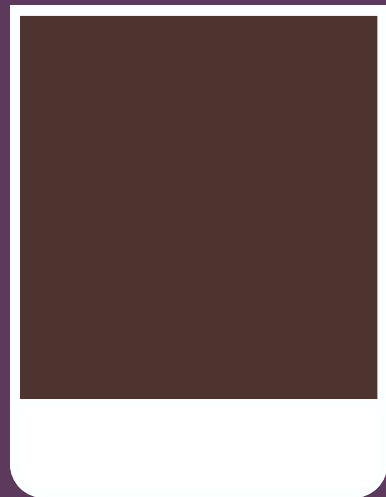

Brew Haven emerged from the whispers of nature's enchantment entwined with the alchemy of coffee. Its originator, guided by a vision of crafting a haven amidst urban bustle, merged a fervor for coffee with a deep-rooted reverence for the natural world. Embracing sustainability as a guiding star, Brew Haven intertwines with local cultivators to procure the most exquisite and freshest coffee beans, ensuring a brew of unparalleled quality for its patrons. Each sip resonates with this harmonious essence, offering respite from the chaos of daily existence and a fleeting communion with nature's tranquility.

Project Detail

Main Colors: Dark Brown (#4E342E),
Cream (#FFF3E0)

Auxiliary Colors: Green (#A5D6A7),
Orange (#FFAB91)

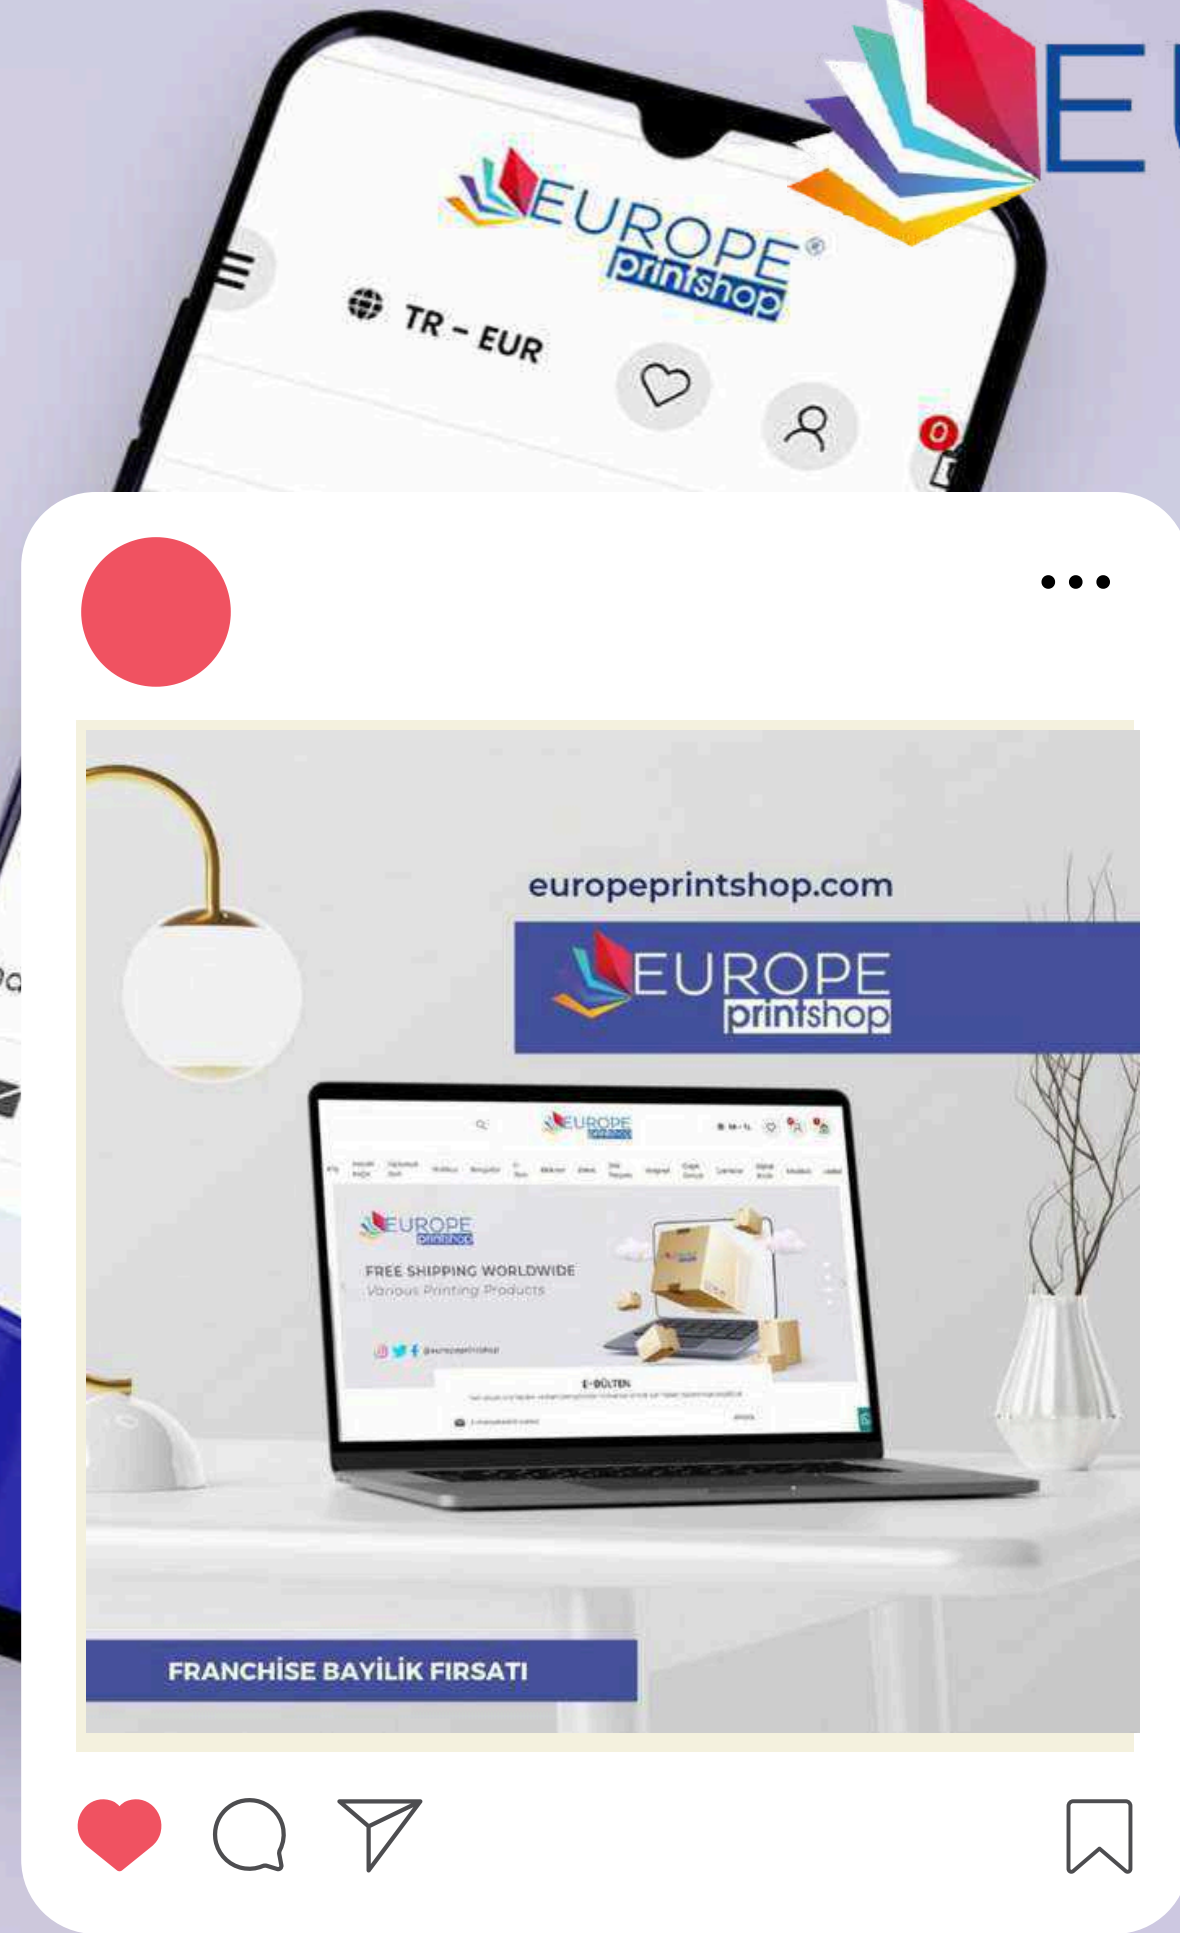

We are
open!

Project Detail

Brew Haven emerges as a sanctuary where the essence of nature intertwines harmoniously with warm camaraderie. Its purpose resonates in crafting an unparalleled voyage for patrons through its corporate persona, emblematic insignia, venue essence, and narrative allure.
